

BRAIN SHIFT 2020 PRESENTS

**PENCIL BEAM SCANNING
PROTON THERAPY FOR
TUMOURS OF THE SKULL
BASE**

DR ROBERT MALYAPA

Dr Malyapa is a radiation oncologist with over 20 years of experience. He subspecialises in Central Nervous System, Head and Neck and Paediatric Radiation Oncology and is currently the Director of Proton Therapy at Proton Therapy Pte Ltd, Singapore.

As Singapore gears up to the next leap in cancer treatment, we welcome his unique perspective and experience in using Proton Beam Therapy.
